.SAARLAND – Saarland's Home Online

.SAARLAND is the new domain extension for all Saarland people, fans, companies and organizations, who would like to present their regional roots with a global effect on the Internet.

The federal state Saarland is a leading IT research location in South West Germany and part of the "Saar-Lor-Lux" (Saarland-Lorraine-Luxembourg) region, an economic metropolitan area. .SAARLAND ensures that Saarland web addresses can be quickly and easily found and allows the registration of short and intuitive domain names as an expression of regional identity.
